2023 District Conference Wrap-up

With the district conference now in the past, we would like to thank the West Charleston Church for their generous hospitality, to the Program and Arrangements Committee for planning and implementing, to Jonathan Shively and Nate Polzin who shared gifts of leadership, to the staff and District Board who shared many exciting things that are happening in the district, to our Moderator, Ty Pyles and finally to all of the delegates and non-delegates who spoke respectively from their hearts, voted according to how the Spirit led them, and engaged in Christian fellowship with each other. Highlights include: recognizing the East Dayton Fellowship as a congregation; saying goodbye to the West Alexandria CoB as they have chosen to leave the denomination and to the Prices Creek CoB as they are closing; passing a budget for 2024; a tied vote on a query to set aside the 1983 Paper on Human Sexuality that came from Living Peace CoB resulting in the query not being sent to Standing Committee. A more complete wrap-up can be found on the district website.
